

TRUCK DRIVER Job Description

Starting Salary: \$13.50 per hour

Operates trucks utilized in construction, maintenance, and repair activities. Performs a variety of semi-skilled tasks in the maintenance of light, street, water, sewer, and storm drainage systems.

Essential Duties:

- Operates trucks of various sizes and weighs in the loading, hauling and unloading of various equipment, materials, and supplies.
- Operates construction and power equipment.
- Performs routine inspection, preventive maintenance and cleans assigned equipment.
- Directs traffic in congested areas around construction sites.
- Cleans curbs, gutters, and drainage ditches.
- Inspects curbs, streets, and gutters for repair needs.
- Calculates loads and adjusts to legal standards.
- Spreads and unloads asphalt.
- Other duties as assigned.

Required Minimum Qualifications:

- Graduation from a high school or equivalent
- Two years experience preferred
- Must have a valid class B or A Texas driver's license prior to hire

Tools and Equipment used:

- Motorized vehicles and equipment, including backhoe, utility truck, front end loader, skid-steer loader, common hand and power tools, shovels, telephone; radio; safety equipment; air compressor; and steam cleaner.

Physical Demands/Work Environment:

- Work is performed Monday – Friday, 7:30 a.m. – 4:00 p.m. and on call as needed
- Subject to standing, walking, bending, reaching, and lifting of objects up to 25 pounds or more
- Exposure to increment weather conditions
